

Ontario Public Service

Senior Financial Analysts

- one permanent and one temporary (six months with possible extension)

Are you a financially savvy and results-oriented individual who is looking to make a positive impact? If so, consider this exciting opportunity with the **Ministry of Health and Long-Term Care, Corporate Services Division, Financial Management Branch**.

In this role, you will provide financial expertise and leadership to support clients in managing their financial resources effectively.

You will:

- assess clients' business needs and provide expertise and advice on financial planning and management;
- gather, analyse and monitor trends and financial performance and perform financial analysis;
- identify financial trends, risks and opportunities and provide reports and recommendations;
- develop and implement operational framework, business processes and tools to support the Ministry's fiscal cycle reporting;
- assist in the development and implementation of training programs, communication tools and materials;
- lead and/or participate on cross-functional teams and projects.

Location: 5700 Yonge Street, North York, Ontario

What we are looking for:

Financial and Business Planning Knowledge:

- you have knowledge of modern controllership principles, business planning, performance measurement and financial management practices within a large organization;
- you have strong financial analysis, budgeting and forecasting skills.

Accounting and Health Care Knowledge:

- you have knowledge of Generally Accepted Accounting Principles (GAAP) and sound financial and auditing practices;
- you have knowledge of health care strategies and priorities.

Communication, Consultation and Relationship-Management Skills:

- you can provide sound advice to management, clients and staff;
- you can provide clear, concise and accurate information;
- you can prepare and present complex financial analyses and reports.

Research, Analytical, Problem-Solving and Strategic-Thinking Skills:

- you can conduct complex financial analysis;
- you can identify, review and resolve contentious financial issues.

Project Leadership, Coordination and Organizational Skills:

- you can provide leadership and mentoring to staff on projects;
- you can prioritize and coordinate financial activities to meet timelines.

Computer Skills:

- you can use spreadsheet and word processing software to prepare reports and presentations;
- you can use databases and enterprise financial systems for financial analysis and reporting.

Salary range: \$72,003.00 - \$93,346.00 per annum

Please apply online, by **March 24, 2011**, by visiting www.ontario.ca/careers and entering **Job ID 34493** in the Job ID search field. Please follow the instructions to submit your application online. *Faxes are not being accepted at this time. If you need employment accommodation, please contact us at www.gojobs.gov.on.ca/ContactUs.aspx to provide your contact information. Recruitment Services staff will contact you within 48 hours.
