

Board Recruitment Announcement

The Catholic Children's Aid Foundation

We are The Catholic Children's Aid Foundation. Our role is to support children, youth and families in the Catholic community to thrive. We are inspired by Catholic values and teachings to do this work, together with our donors, the Catholic Children's Aid Society and the broader Catholic community.

The Foundation manages combined assets of \$60 million dollars with the commitment to fund programs that have a substantial positive impact in the Catholic community. We are here to bridge the gap between services already provided and funded by government and the child welfare sector, and those services truly needed to help Catholic children, youth and families flourish.

We do this by understanding the needs of vulnerable populations and reaching these communities in meaningful ways through programs, services and supports that result in direct benefits and positive impact for children, youth and families. The Scholarship and Sacramental programs are only two of several programs funded.

Our Board

Board members are actively involved in the Foundation's governance and are expected to attend monthly board meetings and participate in additional initiatives as required.

The Board requires Catholic candidates with a variety of skills and experiences, who live or work in Toronto. We are seeking candidates with knowledge, skills and experiences in executive leadership, accounting/finance, investment management, human resource management, legal, fundraising, marketing and/or media expertise, as well as those with charitable foundation experience. The Foundation serves an ethno, racial and gender-diverse Catholic community and is committed to fostering an environment of equity, inclusion and accessibility that is reflective of the community served.
