

CITCO

Corporate & Trust

CITCO is a rapidly expanding, global group of companies specializing in fiduciary services, fund administration and other financial services on behalf of multinational companies, private equity and real estate firms, private investors and/or their advisors. Citco employs more than 4,200 people in over 60 offices worldwide.

We offer you a challenging job in our Bermuda office, an international company with a friendly and interesting environment. We also offer excellent prospects for a further international career in one of our worldwide offices.

Managing Director — Hedge Fund and Multinational Corporate Services

Key tasks and responsibilities:

- Overall supervision of the provision of corporate services to hedge fund and multinational clients in line with global guidelines of the Citco Group;
- Setting of financial goals and responsibility for achieving agreed upon targets;
- Growth of the client portfolio in an autonomous environment;
- Marketing related activities surrounding meeting potential clients;
- Report to the Global Director of Corporate Services;
- Direct supervision of all corporate secretarial staff.

Qualifications and Experience:

- A corporate lawyer with a minimum 3 years experience and a Chartered Secretary (ICSA) designation would be an asset;
- Experience working at a Board of Directors level;
- A proven ability to act as a self-starter and work with a high level of autonomy;
- Proven management and interpersonal skills;
- In-depth knowledge of Bermuda company law would be an asset as well as related professional experience;
- Excellent written and oral communication skills;
- Strong computer literacy and proficiency with the Microsoft applications.

Interested applicants are encouraged to submit a current CV via e-mail to Brian Francoeur (bfrancoeur@citco.com) or in writing to Citco (Bermuda) Limited, PO Box HM 3399, Hamilton, HM PX, Bermuda ref: "MD position". Applications will be treated with the strictest of confidence. The closing date is March 7, 2008.
