

Finance Managers

Bring your strong financial expertise and leadership abilities to the **Ministry of Health and Long-Term Care**, financial management branch, where you will manage the development, implementation and delivery of financial management services and products for the ministry and Local Health Integration Networks (LHINs). Five opportunities exist to: manage the financial forecasting, controllership, reporting and analysis at both the branch and division levels or for LHIN-managed programs, to ensure the efficient use of public resources (direct operating expense and transfer payment), support the integrity of the ministry's public reporting, and reduce financial and litigation risks; design, communicate and implement strategies with respect to the application of modern controllership principles, business processes and best practices, and financial mechanisms, controls and processes; provide leadership, supervision and direction to a team of staff; provide strategic advice, options and information for improving the ministry's overall financial controllership framework; develop and establish collaborative relationships with internal and external stakeholders. **Locations: 5700 Yonge Street, North York (Toronto) (4 positions), and 370 Select Drive, Kingston (1 position).**

Qualifications: strong knowledge of generally accepted accounting principles, strategic financial planning, financial controllership and risk management principles, performance, financial and management processes, business and financial planning and reporting; good understanding of the ministry's health care programs, strategic directions, key initiatives, including LHIN-managed programs, and relevant legislation; excellent leadership and managerial skills and experience, and demonstrated knowledge of human resources principles and practices; proven knowledge of project planning and management techniques, and strong planning, organization and coordination skills; excellent strategic-thinking, analytical, conceptual and problem-solving skills; excellent verbal and written communication, consultation and stakeholder management skills; proficiency with word-processing, spreadsheet and database applications and enterprise financial analysis and reporting systems.

Salary range: \$76,727 - \$100,240

Please apply online, only, quoting **Job ID 22640 and indicating preferred location(s)**, by **December 9, 2009**. *Faxes are not being accepted at this time. If you need employment accommodation, contact the Regional Recruitment Centre at 1-866-994-8808. Only those applicants selected for an interview will be contacted.*
