Olympic View Golf Course \$167/person

A beautiful championship course rated in the top thirty-five in Canada, amidst a dense lush North Pacific evergreen forest. Gardens abound the challenging 18 holes with many lakes, rock outcroppings, and even a few waterfalls. Each hole has a personality of its own, making for an exciting game that favours no specific shot, other than accuracy due to the tightness of some of the fairways. The signature hole is the 417 yard 17th. Playing downhill from the tee, the hole descends towards a natural waterfall that provides a dramatic backdrop. The Olympic View practice facility is the finest in Western Canada. Its natural grass tees, chipping bunkers and five target greens make for a realistic practice environment. Length from the Blue tees is 6530, with a slope of 133 and a rating of 72.0. This course is perfect for the golfer not minding tighter lies, and smaller target areas, along undulating fairways. This is a must play while visiting Victoria.
