

**Stephen J. Mallory, ICD.D, FCIP, CRM,
President, Directors Global Risk Consulting Inc.,
Advisor, Benson Kearley IFG**

Stephen (Steve) Mallory is President, CEO and founder of Directors Global Risk Consulting Inc., a Toronto based firm which provides commercial and directors insurance brokerage services along with enterprise-risk-management counsel for organizations located across Canada and internationally. Previously, he served as CEO and Region Head within two of Canada's largest insurance brokerages.

From 2012-2017 he served on the board of VIA Rail Canada Inc. a Canadian Federal Crown Corporation and Chaired the Governance, Risk and Strategy Committee and was a member of the Pension/Investment Committee. Previously he served from 2008-2012 as a director with the Standards Council of Canada, also a Federal Crown Corporation.

Steve has served since 2011 as a member of the CSA Canadian Risk Management Mirror Committee TC 262, providing input on risk and safety standards for Canadians.

He has completed the Directors Education Programs at the Institute of Corporate Directors (ICD.D) and at the Government of Canada. He holds the CRM (Canadian Risk Management) and FCIP (Fellow, Chartered Insurance Professional) designations, and a BA from the University of Western Ontario.

Steve is an instructor teaching Board Risk Oversight to participants of the Institute of Corporate Directors, DEP/ICD.D program, and delivers the session at the Rotman Business School/ University of Toronto and at other participating universities across Canada. In September 2017, he commences instructing risk management to students enrolled in the Masters, Financial Accountability program at York University.

Steve authored a chapter on D&O and commercial insurance in "The Handbook of Board Governance" (2016), by Richard A. Leblanc, and he is regularly quoted in Canadian business and risk industry publications.
